Chart Key

 **hdc4-puff**: half double crochet 4 stitches into the same stitch and crocheted together

 **hdc5-puff**: half double crochet 5 stitches into the same stitch and crocheted together

- Note:
- 1, This pattern is making in Chinese crochet pattern terms, and the stitch name is written using **American terminology**. All measurements in charts are in cm.
 2. When crocheting in rounds, start with a standing chain, and at the end, connect with a slip stitch and pull tight. The turning chain for single crochet and the joining slip stitch don't count as 1 stitch. 2CH counts as 1 stitch.
 3. You can crochet the 4-Ply Combed Cotton and Golden thread a bit tighter.

Part 4 Limbs

Video03' 30"

The limbs are divided into arms and legs. First, complete the main part of one arm, then add the arm stripes. For the upright arm, also add the joint and paw pad that connect to the main body. The other arm and the legs should be sewn to the main body separately. All limbs need to be embroidered with claw seams (23#Spruce Yellow). Please refer to the video demonstration for more details.

R17	A, 2X, 2A, 2X, A	8	
For the left arm, after completing R16 of the main piece, place the joint and attach it between R13 and R14 of the main arm piece, and between R29 and R30 of the body side. Then stuff it and leave a 15cm yarn tail to close the opening. For the right arm, you don't need to add a joint; after completing R16, stuff it directly and leave a 45cm yarn tail to close the opening. The left and right here refer to the left and right of the toy itself. The arm with the joint can be adjusted according to your preference.
